

WHO WE ARE?

Argyll (E.A) Ltd was formed to fill a gap that exists in the regional inspection market. East Africa's economy is on the brink of a new era of opportunities, growth and development, where local businesses and entrepreneurs are positioned to play a crucial role in ensuring that the region is ready to take up this challenge. Argyll's goal is to safely and cost-effectively provide world class solutions for the full range of each customer's unique needs, and to make Argyll Ltd the most trusted provider or inspection services in the Region and the African Continent.

WHY CHOOSE US?

At Argyll, we recognize that your success is directly linked to your product's integrity, safety, and reliability. Our mission is to reduce the potential danger to human life and operations by assuring the integrity of your products using a broad range of inspection techniques and technologies.
