

NON DESTRUCTIVE TESTING (NDT) QUALITY ASSURANCE POLICY STATEMENT

It is the Policy of ARGYLL Ltd. to distinguish itself as a leader in provision of in-house and on-site Quality Non-Destructive Testing Services (NDT). We recognize that provision of consistently high standard services in the field of NDT is key to our success, reputation and satisfaction to our customers.

We constantly aim to:

- Operate in accordance to the principles and guidelines of ASTM and ISO standards while training our personnel in line with ASNT guidelines in order to demonstrate our commitment to quality to both our customers and employees
- Effectively analyze customer satisfaction, supplier/ employee feedback in order to identify conformity to our service requirement, areas of continuous improvement and preventative action.
- Be resourceful and up to date with evolving technology in the field of NDT so as to effectively meet our customer needs and satisfaction
- Motivate all our staff to understand and implement the policies, procedures, standards, and instructions of the company's quality system

Our Policy is subject to annual evaluation as part of the management review process for its adequacy and relevance.
